

DigiCam Surveillance

3757 Super HAD B/W CCD Weatherproof Bullet Camera

Need a high quality black and white bullet camera, but don't need infrared? This weatherproof, outdoor rated camera is packed with all the features you'll need in a compact, easy to mount package. Features aside, this camera uses a quality Sony Super HAD CCD element that will provide you with a great high quality picture with 600 lines of resolution! Plus, for low light conditions, this camera needs only 0.2 lux to operate! This camera includes an easy to mount base that will allow you to point your camera exactly where you want it. We even include the screws!
