## 7400SH Sony 1/3" Super HAD CCD Infrared Man. 420 TV Lines Pan/Tilt Armor Dome Camera

This manual pan/tilt dome has features that will meet anyone's needs! Very similar to its sister dome, the 7500, this camera has a 1/3" Sony Super HAD sensor, 3.6mm and 420 lines of resolution. Not only are the specs to this camera impressive, but it is also a weatherproof and vandal proof dome! That is perfect for under an awning in any location. An o-ring separates the 24 LEDs and the lens so that there is no infrared glare in the picture.

### Features

- 1/3" Sony Super HAD sensor
- 420 TV Lines
- 0.0 LUX W/ IR ON
- Built in 24 IR LEDs
