

DigiCam Surveillance

CBI636 Sharp 1/4" CCD Color Infrared Weatherproof Bullet Camera

Our CBI636 is built with a 1/4" Sharp CCD and a 3.6mm lens for a wider view. For a very low price, this camera functions extremely well and has some great features, including auto gain control, back light compensation, and auto white balance. With 420 TVL and a 0 LUX rating, you are able to see up to 45 feet in total darkness, making this a great camera for many different locations.
